|-----------------|------------------|
| 1er SERVICE | 08H – 12H |
| 2ème SERVICE | 14H – 18H |
| 3ème SERVICE | 20H – 23H |

A long schedule of 14h00 to 20h00 is possible.

The aim of the Drakkar is to accomodate the sheduled entertainments in the best possible way, and our entire staff is at your entire disposition in order to achieve this. Modifications are possible up to 2 weeks before the presentation, by mutual agreement between the technical officers of the visiting theatrical compagny and the D.S.N. Once the modifications are agreed upon, further changes are not permitted, either during the preparations in the theatre or during the period of the performances.
